## Experience

### Pick Time

Java Developer Intern  
Nov 2023 – Feb 2024

As a Java Developer Intern, I designed and maintained efficient Java code, developed the service layer with Spring framework, and implemented Design Patterns like MVC for performance enhancement. Additionally, I contributed to maintaining existing applications, provided support to team members, and introduced GIT for version control. My role fostered collaboration and knowledge sharing, ensuring the reliability and scalability of our systems.

Craft Notion  
Frontend Developer Intern  
Apr 2023 - July 2023

Proficient in developing and maintaining responsive web pages utilizing HTML, CSS, JavaScript, React.js, and Next.js. Collaborated with senior developers to adopt industry best practices for creating responsive and well-structured websites using React.js. Leveraged additional libraries such as react-form-hook to efficiently manage form data. Integrated React-slick-slider and Framer Motion to enhance user experience with visually appealing animations.

## Education

Godavari Institute of  
Engineering and Technology  
Bachelor of Technology 2022  
GPA 7.8

Government Polytechnic  
College

Diploma 2019  
Percentage: **74%**

## Skills

Proficient in Java, Spring Framework, JDBC, Hibernate, MySQL, HTML/CSS, Sass, JavaScript, React.js, Next.js, Git, and GitHub.

Skilled in a comprehensive range of technologies, including Java, Spring Framework, JDBC, Hibernate, and MySQL, enabling proficient development of robust and scalable backend solutions. Proficient in frontend technologies such as HTML/CSS, Sass, JavaScript, React.js, and Next.js, ensuring dynamic and user-friendly web applications. Well-versed in version control systems like Git and GitHub, facilitating collaborative development and efficient code management.

## Projects

Fast kart

The Fast Kart is a web application that is used for purchasing products online. It was developed using Next.js with Sass and VS code. Also used libraries like React slick and React-Form hook. It was compatible with smartphones, tablets, and Laptop and Computers, related it the company's Operations and industry trends.
